DESIGN EXPERIENCE

Open Source Climbing | 07.26-08.26

Lead Front-End Web Developer

Created an asset-library that reinforced the site's visual identity for optimized user experience and cohesion. Developed communication strategies to effectively push project needs and timely updates. Enhanced front-end web skills by learning React.

Studio Two Three | 01.25-08.26

Instructor, Studio Monitor, Screen-printer

Taught traditional letterpress techniques and nontraditional printing in classes of up to 10 people, building strong time-management and multi-tasking skills. Cataloged the studio's century-old type collection of over 200 type cases with a crew, improving organization and accessibility. Attended 10+ printing events, engaging with hundreds of new faces and potential clients.

As-sem-bly-re-qui.red Launch | 05.26

Front-End Web Design

Collaborated with a cohort to plan and execute a website, making key decisions including a custom scroll bar that increased user interaction. Identified and resolved 15+ bugs, ensuring site functionality and accessibility.

VCU Graphic Design Department | 05.26

Underclassmen Workshops

Taught groups of underclassmen the basics of Adobe After Effects and picture/video editing through an interactive craft involving 3D scanning.

Zen-X Band | 05.25

Logo Design

Created many iterations of a logo design for a local band, collaborating closely to achieve their artistic vision using Adobe Illustrator.

DESIGN EXPERIENCE CONTINUED

Neuro at VCU Club | 02.24

Identity Visionboard and Logo Design

Designed and illustrated a logo as well as a cohesive color palette and font selection that aligned with their brand identity.

Kokee Tea | 10.24-01.26

Front-of-House, Freelance Design

Created a seasonal menu design for shop display, planned and filmed social media videos on CapCut following popular trends to promote the store. Resized and edited pre-made materials using Adobe Photoshop to better suit needs and enhance visual appeal. Processed an average of over 100 transactions daily and answered inquiries to ensure a positive experience. With a 4.4/5 star review, it had a loyal customer base I would regularly greet.

Her Campus Publication, VCU Branch | 10.23-02.24

Graphic Design Team

Coordinated with a team of 5 to complete 15+ design spreads within strict deadlines. Adhered to palette and font guidelines to ensure cohesive and consistent brand identity within spreads and social media grids.

J Art Studio | 07.22-01.23

Art Educator

Organized and executed lessons for elementary students in drawing and painting, fostering creativity. Provided weekly instruction as well as day-long summer camps with 20+ children.

Lightridge High School | 08.21-05.22

Yearbook Co-Editor in Chief

Assigned tasks to a team of 20 staff, evaluated spread layouts, and kept communication between the yearbook staff flowing with regular meetings.

GENERAL EXPERIENCE

Peak Experiences | 09.25-08.26

Climbing Coach

Coached and organized climbing activities for groups of 20+, applying my knowledge towards their growth while keeping safety and fun a priority.

VCU Competitive Climbing Team | 01.25-10.25

Head Climbing Coach

Created weekly practices, daily announcements, and held personal interviews with each individual team member to customize training for goals. Organized transportation to both practices and competitions which were 2+ hours away.

Sportrock Climbing Centers | 01.19-02.22

Instructor, Climbing Coach, Front Desk

Oversaw summer camps as well as coach a team that met weekly. Instructed classes for advanced climbers and interacted with customers daily, ensured a clean and orderly environment.
